

Judson House

Access Agreement

The Judson House came to Campus Crusade for Christ at Brown as a gift of God through a generous couple exercising great faith. Its size, condition, layout, and proximity to campus demonstrate to all of us God's providence.

The staff of CCC at Brown is eager to see the house used heartily and without reservation, but also cared for, watched over, and maintained by all who benefit from its availability. As stewards we want to use it and protect it for the benefit of generations to come.

The following guidelines are designed to clarify and standardize the expectation of that use and protection so that we all may be Christ-centered stewards of this wonderful home.

ACCESS

Access to the house is by way of a combination lock on the front door. The combination to the lock is given out only by the staff. If you would like the combination, please ask a staff member.

The second entrance door, inside the front door, is unlocked in the morning and locked again late at night. If you would like to have access to the house after the late evening, please arrange it ahead of time with a staff or tenant of the house.

EXPECTATIONS

- ∞ You may use the house from 9 am until 11 pm if you have been given access. Outside of these times, please get approval from a tenant or staff member.
- ∞ The house must stay locked at all times. Once you enter the house as well as when you leave, lock the door. There is a lock button in the center of the keypad on the outside of the door.
- ∞ Turn off all of the lights on the first and second floor that are not being used when you leave.
- ∞ Shut all windows when you leave.
- ∞ Do not adjust the heat or air conditioning. If there is a problem, please ask a tenant or staff member.
- ∞ Clean whatever you use very well. Leave the house cleaner than when you arrived.
- ∞ Take all personal belongings with you. You may not store anything at the house without approval from a staff member.
- ∞ If you are wanting to host a small gathering of friends at the Judson House, get pre-approval from the Judson House Scheduler, Faye Jaffee at (603) 252-1142 or faye.jaffee@uscm.org. Ask at least three days in advance. This is to ensure that there is enough space and that the tenants are given notice.
- ∞ If the above guidelines are not respected the following consequences will be in effect: first offense, warning. Subsequent offenses will incur a fine of \$30 and/or a loss of access privileges.

I agree to abide by the above guidelines and the responsibilities of having access to the Judson House.
