Dear Partner in the Gospel,

We are incredibly grateful for your prayers on our behalf for the sake of the Gospel. As the semester comes to an end, please continue to seek God alongside of us!

In His service,

Brodie Herb, Lorenna Ellis, Jarrod & Susie Lynn

May 2010

Please join us in praising God for ...

- ◆ Lorenna Ellis being back on campus! And her back is back too
- ◆ good responses to the Easter Egg Outreach. We even received positive “press” in the school newspaper
- ◆ one of the student-athletes becoming a Christian at Big Break. He's now in a discipleship group and growing in his faith every day!
- ◆ many of the student-athletes continuing to regularly have spiritual conversations with their teammates and friends

and praying for ...

- ◆ seniors to be missionally-minded regardless of where God takes them
- ◆ student-athletes to continue wrestling over the purpose of dating and marriage, based on the McReynolds' story shared on April 8th
- ◆ ten student-athletes to attend the AIA Ultimate Training Camp
- ◆ students to be disciplined in their walk with God this summer, and to return in the fall more passionate about the Gospel than ever
- ◆ new staff Katelyn Thanas who will be reporting in May
